

Full-Time Faculty Recruitment Announcement

Institute of Environmental Engineering · NYCU

Our Institute is inviting applications for 1–2 full-time faculty positions of the rank of Assistant Professor, Associate Professor, or Full Professor. Applicants must hold a relevant Ph.D. degree in engineering or science fields and be capable of teaching courses in English. Applicants who have not completed their Ph.D. must obtain the degree before the appointment date. The anticipated starting date is August 1, 2026.

Required Application Documents :

- (1) Curriculum Vitae
- (2) Copy of Ph.D. diploma
- (3) List of publications
- (4) Full text of up to five representative publications
- (5) Research plan outlining for future research
- (6) Proposed course titles and syllabi for courses to be offered at our institute
- (7) Additional supporting materials beneficial for evaluation (e.g., list and syllabi of previously taught courses, Ministry of Education teaching certificates, awards, etc.)
- (8) Basic Information Form (see attachment)
- (9) Names and contact information of 2–3 references (postal address, phone number, and email)
- (10) 2–3 letters of recommendation (to be submitted upon request at the second-stage review)

Application Deadline : Applications will be reviewed upon receipt.
